Sir:

This is in response to the Office Action dated November 1, 2005 and in which the Examiner rejects claim 1 as not being supported by the disclosure, and claims 1, 3, and 11-14 as being unpatentable over the prior, he allows claims 15 and 18, and indicates that claims 4-9, 16, and 17 would become allowable upon having been rewritten in independent form to include all of the limitations of the base claim and any intervening claims.

The Examiner's allowance of claims 15, 18, and his indication of the allowability of claims 4-9, 14 and 16 has been duly noted.
